What we found

- The SSL certificate is valid
- This website is (very) old
- The owner of the website is using a service to hide their identity on WHOIS
- According to Tranco this site has a low rank
- This site is a website within another website
- This website may offer high-risk cryptocurrency services
- This website has been marked as threat by DNSFilter in the last 30 days

Technical checks

Valid SSL certificate	Yes
Flagged for phishing	No
Flagged for malware	No
Owner identity public	No
Established over a year	Yes
Registration current	Yes

What to do

- We recommend not using this site.
- The owner is anonymous — there may be no one to appeal to.
- Pay by a method with buyer protection.

This report reflects automated signals gathered when the domain was last analysed. A score is an indication, not a guarantee, and a site can change at any time. Always judge for yourself before sharing personal or payment details.
