Flagged for phishing	No
Flagged for malware	No
Owner identity public	No
Established over a year	No
Registration current	Yes

What to do

- You can visit this site safely.
- The owner is anonymous — there may be no one to appeal to.
- This domain is very new; most scam sites are under six months old.
- Pay by a method with buyer protection.

This report reflects automated signals gathered when the domain was last analysed. A score is an indication, not a guarantee, and a site can change at any time. Always judge for yourself before sharing personal or payment details. The live version of this report, which may have been updated since, is at <https://legitsonar.com/check-website/techspeake.com>.
